	With this helpful information, Hungary would contract these articles. Attempts have been made to curtail this flow of information to Satellite countries with no success.	25X 25X
6;	Yugoslavia's role is most suspicious. In 1947 and 1948 Yugoslavia undertook an encruous industrial program, however, due to the lack of funds it suffered a complete breakdown. With Marshall Plan aid the program was reopened and suffered another breakdown when in	
7.	At present Yugoslavia buys machinery and other equipment from the West markets. She buys equipment in quantities greater than she can use in the homeland. I	25X 25X 25X
8.	in order to build up her own cash reserves.	
•	It was interesting to note that Vugoslavia had greatly over-staffed commercial representation Plans and negotiations are under way to build a new	25X
